

THE MOST COMPLETE HYGIENIC SOLUTION FOR WATERLESS URINALS

(Works on Falcon® and Sloan®)

Ez-trap is the only replacement cartridge that eliminates the bad odors associated with waterless urinals and also allows complete and thorough cleaning of the urinal with any cleaner and water. There is no gel seal that can be compromised so increased hygiene can be achieved.

- Eliminates bad odors
- Does not use gels that fail
- Allows for complete and thorough cleaning
- Lasts longer and costs less
- Easy to install
- Saves money on costs

**EZ-Trap is cost effective
and easy to install
Save time and money**
