

# The leader in Anti Splash technology

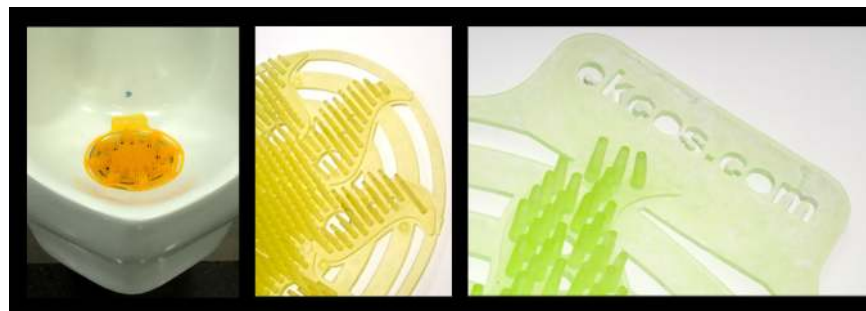

ekcos innovations is the only company licensed to produce urinal screens featuring Sealed Bristle Technology™. No other company has been granted a license to do so.

## Introducing our new 30 day ASD (Anti Splash Device) "Power Screen"

Our new innovative design features our Patent Pending Sealed Bristle Technology™ that eliminates urine splashback and also features our proprietary fragrances and anti-bacterial.

- Eliminates urine cross contamination.
- Eliminates urine splashback, which contributes to restroom damage and foul urine odors.
- Emits fresh and pleasant fragrances.
- Lasts for 30 days.
- Ideal for waterless urinals.
- Universal fit.
- Available for private label.
